Welcome to Caledonia Recreation! My name is Josh Shelton and I am the Recreation Director for the Village of Caledonia. This is my fourth year as the Recreation Director. I previously worked for Caledonia Recreation as a Recreation Leader from 2007-2012. I also served as the Director at French Road Summer Camp for Brighton Recreation in 2014 and 2015 before returning back to Caledonia Recreation in my current position. I am a 2007 graduate of Cal-Mum, and still live here with my wife and our two children. I received my Bachelor's degree in Elementary and Special Education from SUNY Geneseo, and my Master's degree from SUNY Brockport.

Growing up, I attended Caledonia Recreation every summer and always looked forward to playing kickball and wiffleball against the recreation staff. Many of my favorite childhood memories all happened during my summers spent at the park. While we still play many traditional field games, we also engage in various other activities, hold multiple special events, and take numerous field trips throughout the summer. Several events, excluding most field trips, are provided free of charge to youth. All events and activities are explained in detail within this packet.

This year's Recreation staff features all Cal-Mum graduates and/or current Cal-Mum students, all of whom attended Caledonia Recreation growing up. We also have our week long internship program for 8th-10th graders in the district. The staff works hard to provide our youth with engaging, exciting activities Monday through Friday, from 9 am-4 pm. In order to maintain a safe and fun environment, the staff and I expect that all children will act safely, respectfully, and responsibly during their time at Caledonia Recreation. In this way, our staff can assure that kids will have the best experiences possible while at the park. Please note that our staff cannot monitor which children come and go through the park entrances. During park hours, children are free to come and go as they please. The parks will close during Wednesday field trips to accommodate the large number of attendees. As the parks close due to severe weather, please ensure that your child is picked up. Park closings and other important information will be made through the Remind app.

The staff and I look forward to helping your children make many great memories this summer!

Sincerely,

Josh Shelton
